NOVIN

Novin Company

A subsidiary of the Iran Zamin Industrial Group, is dedicated to providing top-tier printing and packaging services. With a focus on customer satisfaction, product quality, and innovation, Novin strives to enhance capacity and knowledge by leveraging modern technologies to deliver innovative flexible packaging solutions to various industries in the region.

With a workforce of around 200 employees, Novin is engaged in printing and producing specialized packaging such as printed roll stocks, pouches, aluminum foil lids and high barrier films.

In collaboration with its holding companies, Novin also engages in printing plate and cylinder making, film extrusion, ink and compound manufacturing. Their packaging solutions cater to industries including food, dairy, cosmetic, hygiene, pharmaceutical, and industrial sectors, ensuring product protection, aesthetics, and market competitiveness. Whether it's roll stocks, pouches or aluminum lids Novin is committed to meeting the diverse needs of its clients with cutting-edge technology and superior quality.

Our Capabilities

Printing Technologies

Utilizing advanced printing technologies including Rotogravure, Flexo, and digital printing, we ensure precise, vibrant, and high-quality printing on various packaging materials.

Pouch Making

Our expertise in pouch making covers a wide range of styles, including vacuum pouches, flat bottom pouches, side gusseted bags, and special coffee pouches with valves. Whether it's for food, pharmaceuticals, or industrial applications, we have the solution.

High Barrier Film

With expertise in multi-layer lamination and film extrusion, we specialize in producing high barrier films suitable for highly sensitive products. Our films provide exceptional protection against moisture, oxygen, and other environmental factors, extending shelf life and preserving product freshness.

Induction Seal Liners

We offer induction seal liners that are compatible with both plastic and glass containers, ensuring tamper-evident and leak-proof packaging for a wide range of products.

Aluminum Foil Lids

Our aluminum foil lids are specifically designed for dairy and liquid products, providing superior protection and extending product shelf life.

Medical Grade Packaging

Committed to upholding the highest standards of quality and safety, we offer medical-grade packaging solutions that meet regulatory requirements and ensure the integrity of sensitive healthcare products.

Design Services

Our experienced design team collaborates closely with clients to create customized packaging solutions that not only meet functional requirements but also captivate consumers' attention on the shelf. From concept development to final artwork, we bring your vision to life.

Printing Plate Manufacturing

With in-house printing plate manufacturing capabilities, we have full control over the production process, allowing us to maintain strict quality standards and deliver exceptional results consistently.

Printing Capabilities

Precision Expertise for Every Order

At **Novin Company**, we understand that every business has unique requirements when it comes to printing packaging materials. That's why we offer a comprehensive range of printing technologies that cater to businesses of all sizes, ensuring that your packaging stands out on the shelf while meeting your specific needs.

Meeting Varied Order Quantities

Whether you're a small startup or a large corporation, we have the flexibility to accommodate your order size. Our minimum order quantity can be as low as 5,000 units, allowing businesses of all sizes to benefit from our high-quality printing services.

High-Quality Prints, Every Time

Quality is paramount at **Novin Company**. Our state-of-the-art printing equipment and meticulous quality control processes ensure that every print meets the highest standards. From vibrant colors to precise detailing, we guarantee that the final product matches your artwork perfectly.

Matt-Shiny Print Technology

Enhance the visual appeal of your packaging with our innovative matt-shiny print technology. This versatile printing option allows you to create stunning effects that elevate your brand and captivate consumers' attention.

Tailored Solutions for Your Business

No matter the size of your business or the complexity of your printing needs, **Novin Company** has the expertise and capabilities to deliver exceptional results. Partner with us for printing solutions that meet your exact specifications and exceed your expectations.

Pouch Making Expertise

Tailoring Solutions for Every Demand

Novin Company stands as the premier pouch making company in Iran, setting the benchmark for excellence in the industry. With a diverse range of capabilities, we offer unparalleled solutions tailored to meet the unique needs of businesses across various sectors.

1. **Pre-Made Pouches:** Ready for Market Entry

For startups and businesses looking to test the market quickly and efficiently, our pre-made pouches are the ideal solution. Available in a variety of sizes and styles, our ready-to-use pouches streamline the packaging process, allowing you to focus on bringing your product to market with minimal lead time.

2. **Custom Pouches:** Tailored to Your Vision

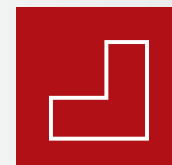

At **Novin Company**, we understand that your packaging is a reflection of your brand identity. That's why we offer comprehensive custom pouch solutions, allowing you to create packaging that not only protects your product but also captivates your target audience. From unique shapes and sizes to innovative features, our team works closely with you to bring your vision to life, ensuring that your packaging stands out on the shelf and leaves a lasting impression.

Partner with **Novin Company** for pouch making capabilities that elevate your brand and set you apart from the competition.

Aluminum Foil Lids & Wraps Superior Sealing Solutions

Discover the pinnacle of freshness and sealing excellence with **Novin Company's** aluminum foil lids and wraps. Crafted meticulously from premium aluminum and featuring heat sealing lacquer, our lids ensure unparalleled protection for your products. Available in both convenient roll format and precise die-cut units, our sealing solutions cater to diverse packaging requirements. Additionally, explore our range of innovative structures, including multi-layered materials of aluminum, polyester, and paper/polyesters, designed to meet the highest standards of durability and freshness. Trust **Novin** for sealing solutions that elevate your product's shelf life and maintain its quality with every seal.

High Barrier Films

Advanced Protection for Your Products

At **Novin Company**, we specialize in crafting high-barrier multi-layer laminates that surpass industry standards for protection against chemical, light, moisture, and oxygen infiltration. Our state-of-the-art low-temperature sealant technology ensures optimal efficiency for form/fill/seal operations, guaranteeing the integrity of your packaging even under the most rigorous conditions such as gamma and autoclave processing. With a diverse range of barrier levels, including foil laminates and ultra-high-barrier foil-free films, we offer customizable solutions tailored to your specific needs. Entrust your product's protection to **Novin's** high barrier films and experience unmatched security and durability.

Induction Seal Liners

Secure Your Products with Precision

Our innovative non-contact heating process ensures a hermetic seal by bonding a foil-based liner to the bottle neck, guaranteeing unparalleled protection for your products. Compatible with a wide range of materials including PET, HDPE, PP, PVC, and glass, our induction seal liners offer versatility and reliability. Whether you require plain non-printed liners or custom prints to elevate your branding, **Novin** delivers tailored solutions to meet your packaging needs with precision and excellence.

Medical Packaging Solutions

Ensuring Product Integrity

At **Novin Company**, we specialize in providing top-tier medical packaging solutions tailored to meet the stringent requirements of the pharmaceutical industry. Our extensive range of products includes:

- 1 - Blister Packaging:** Securely encapsulate your pharmaceutical products with our precision-engineered blister packaging, ensuring protection and integrity throughout storage and distribution.
 - 2 - Multi-layer Pouches:** Utilizing advanced multi-layer technology, our pouches offer exceptional barrier properties, safeguarding sensitive medical supplies from external contaminants and ensuring product stability.
 - 3 - Orthopedic Cast Pouch:** Designed specifically for orthopedic applications, our cast pouches provide reliable protection and support for orthopedic casts.
 - 4 - Supplements and Vitamins Packaging:** Elevate your supplement and vitamin products with our premium packaging solutions, crafted to preserve potency and freshness while enhancing shelf appeal.
- With **Novin's** medical packaging products, you can trust that your pharmaceutical and healthcare products are in safe hands, maintaining their integrity and efficacy from production to consumption.

Design Services **Crafting Your Vision into Reality**

Our design services empower you to bring your vision to life with precision and creativity. Our experienced team collaborates closely with you to understand your brand identity and objectives, ensuring that every design reflects your unique essence and resonates with your target audience. Whether you need packaging design, branding, or conceptualization, we are committed to delivering innovative solutions that captivate and inspire. Let us transform your ideas into compelling visuals that elevate your brand and drive success.

Printing Plates and Cylinders Streamlined In-House Expertise

Printing Plate Manufacturing: With in-house printing plate manufacturing capabilities, including cylinder manufacturing, we exercise complete control over the production process. As the largest printing plate manufacturer in Iran, this enables us to ensure strict quality standards, achieve faster lead times, and reduce costs, resulting in consistently exceptional outcomes for our clients.
